NEW

Fluke T6-1000 PRO Electrical Tester

See voltage and current simultaneously

Measure with confidence with the Fluke T6-1000 PRO Electrical Tester – the new addition to the popular Fluke T6 Electrical Tester family. Take more measurements in less time while using safer work practices. The T6-1000 PRO now comes included with the Fluke H-T6 Holster and heavy-duty crocodile clip as a complete pack.

Visual continuity™ the screen turns green when you have continuity between the test in addition to the beeper (T6-1000 PRO only)

FieldSense™ technology for AC voltage, current and frequency measurements without making electrical contact to live voltage

Simultaneous voltage and current display: save time by seeing voltage and current measurements at the same time when troubleshooting motors, pumps or other equipment

Fluke Installation Multifunction Testers

Fluke 1660 Series Multifunction Installation Testers

The Fluke 1660 Multifunction Testers verify the safety of electrical installations in domestic, commercial and industrial applications. They are easy to use and ensure that fixed wiring is safe and correctly installed to meet the requirements of all relevant local standards. To address the increasing demands for reporting we've added FlukeView Forms Software to the Fluke 1663 and 1664 FC Testers.

Fluke Solar Irradiance Meter

NEW **Fluke IRR1-SOL Solar Irradiance Meter**
High precision solar sensor

Make the critical measurements needed for installing, testing, maintaining, and reporting on solar panels or photovoltaic systems with one, easy-to-use tool.

- **Irradiance Measurement:** the high precision mono-crystalline solar sensor allows for instantaneous irradiation measurements up to 1400 W/m^2
- **Temperature measurement:** using either the built-in temperature sensor or the external suction mount temperature probe to measure ambient and panel temperature
- **Integrated compass:** measure and document roof or site orientation
- **Inclination sensor:** measure roof and PV panel tilt when surveying, installing, or adjusting the installation

How to redeem your FREE gift:

1. Purchase a selected Fluke test tool in this promotion between 14th December 2020 and 28th February 2021
2. Redeem online at **www.fluke.co/NYNG** before COB 14th March 2021

Sponsored by Fluke Australia Pty Ltd. Tool prices listed within this flyer are in Australian Dollars (AUD) excluding GST. Prices listed are Fluke Australia's recommended trade price and are correct at time of print. Final pricing is at the discretion of the participating authorised Fluke Distributor or Wholesaler.
Terms and conditions: Gift with purchase is available for all purchases of a "Qualifying Fluke Purchase" made from an authorised participating Fluke Distributor or Wholesaler within Australia, New Zealand and the Pacific Island Regions between 14th December 2020 and 28th February 2021, or until stocks last. Redemption requests must be submitted within 14 days of purchase. In order to redeem your gift, the redemption form must be completed in its entirety with a copy of your receipt/invoice that may only be submitted once for redemption. Offers cannot be combined with any other discounts, promotions or other special offers. Allow 6–8 weeks for delivery. The Summer Outdoor BBQ Giveaway package winner will be drawn on 15th March 2021 and will be contacted by phone and email on the same day. If the winners cannot be contacted by 5pm on 15th March 2021, the prize will be redrawn. The Summer Outdoor BBQ Giveaway includes: 1x Weber® Family Q Premium (Q3200) Gas Barbecue (LPG), 1x Weber® Q Half Hotplate, 1x Premium tool set, 1x Premium BBQ cover, 1x Bar fridge, 1x Yeti cooler, 2x Fluke caps, 2x Fluke water bottles, 2x Fluke umbrellas. Total prize value at $2000. T&Cs applied.
