

# COLTERLEC EXCLUSIVE OFFER

FLUKE®

## Fluke Professional Infrared Cameras

VALID FROM 1 AUG - 30 SEP 2021

### Fluke Ti300+/ Ti401 PRO/ Ti480 PRO/ TiX501/TiX580 100% Focused. Every time.

Get clear, accurate and an instant in-focus images of your designated target with LaserSharp® Auto Focus which calculates and displays the distance from your target. Easily navigate the menu and view images on a large 3.5 inch touchscreen. Get more from your camera with an optional 2x or 4x telephoto or wide angle smart lens

– no calibration required.

- Get 4x the pixel data with SuperResolution, which captures multiple images and combines them to create a 1280 x 960 image (Ti480 PRO and TiX580)
- Save time—wirelessly sync images directly from your camera to the Fluke Connect® system, and attach to an asset record or work order
