

**EXCALIBUR**  
ENCLOSURES

**ENCLOSURES**

## CLASS LEADING ENCLOSURES

Excalibur is a world leader in the manufacture and supply of a diverse range of Electrical Enclosures and value-add solutions for Industry.

All products are designed in-house utilising the latest modelling software and advanced manufacturing techniques using CNC and autonomous machinery including polyurethane gasket machines. Products are manufactured in accordance with ISO9000, AS/NZ4801, ISO4001 to ensure system compliance and world class quality products.

With over 25 years of proven manufacturing capability and a large installed base, Excalibur represents a quality customer choice for both standard and custom enclosure solutions from concept to completion. An extensive distribution network provides national inventory, technical support, customer focus and a partner of trust.
